**GANESHA** is an ancient elephant-headed deity with a powerful energy that removes obstacles and bestows grace. He assures us of divine success in all of our endeavours. Learning to activate and trust in the divine genius of Ganesha clears the way to greater accomplishment, more trust (which enables us to have more fun!) and the unfolding of inner peace (which is also much more fun than anxiety and stress).

Ganesha helps us incorporate play and spiritual intelligence into our everyday lives. He helps us be all that we can be – and that is much more than we usually imagine.

### ABOUT SPIRITUAL SUCCESS

These meditations connect you with Ganesha for your own divine success. This is more than simply having greater wealth and wellbeing, although it does include those things. It is also about living in a way that nourishes the soul, where success is sweet and doesn't cost us what matters most but brings more of what genuinely enriches us into our lives.

Jai Ganesh, we gratefully receive your blessings of endless success.

### ABOUT THE MANTRA

Mantra are ancient prayers that help us draw divine energy into our bodies, minds and souls. The words contain the essence, like an acoustic perfume, of certain divine beings. The mantra used from time to time in these meditations is Ganesha's mantra.

The mantra is Om Gum Ganapatiyei Namaha, Jai Ganesh, Sharanam Ganesha. This sounds like Om (rhymes with POM), Gum (sounds like chewing gum), Ganapatiyei (sounds like gonna-part-eye-yay), Namaha (rhymes with Yamaha), Jai (rhymes with eye), Ganesh (as in gun-esh), Sharanam (sounds like shar-a-numb),

Ganesha (sounds like gun-esh-ah).

This is an ancient prayer which essentially calls upon the power of Ganesha, that which blesses, removes obstacles and brings all the factors necessary for success into alignment within us and in our physical lives too. There is no point praying for success if you are unwilling to allow it to happen! The Ganesh mantra helps us become ready to receive the success we want in our heart.

#### WATERFALL HEALING WITH GANESHA 23.57

Opening up to receive requires that we have some inner space. If we want to succeed, then we need to create enough room to receive divine assistance and consciousness to lift us out of struggle and into a more spiritually-aligned, intelligent way.

This playful divine healing with Ganesha guides you towards resolution and grace, helping you move beyond the illusions of difficulty and impossibility that would hold you back from divine success.

#### BRIDGE OF TRANSITION WITH GANESHA 26.03

Sometimes we just need help in having the courage to let go of what we know so that we can open up to something new – to change and improve our life experience.

The Bridge of Transition is where Ganesha can guide and assist you as you leave the past and the old ways of thinking behind. Feel the freedom and release as you travel across a golden bridge of transition with beloved Ganesha leading you to a new way of being, a way aligned with your highest spiritual success and fulfillment.

#### MOUNTAIN OF GANESHA 28.20

When we are stuck, our problems can seem like immovable mountains. What we need is an infusion of divine perspective where we remember that there is no problem that we can even fathom that is ever bigger than the divine genius of Ganesha.

Once we shift perspective, our problems become molehills and the divine is the mountain that we draw strength from, seek refuge within, and even become at one with, in a sense of peaceful trust. Then the problem unravels and the solution is already taking place, often with far less effort on our part.

In this healing you are guided to become one with the divine mastery of Ganesha, learning to let go of attachment to the suffering and opening up to resolution with divine gracefulness and blessing.

#### ABOUT ALANA

I am a soul whisperer, healer, spiritual teacher and musician. I have loved Ganesha ever since I first found a statue of him in my late teens! I didn't know who he was consciously, but something in my soul remembered him and he gradually took over my home as pictures and elephant statues until eventually he was revealing his wisdom in my dreams and I knew I was ready to share his wisdom with others once more. He reveals himself in playful grace in my life and I hope he does the same for you, beloved, for he is in you and I in the same way, it is that

divine presence within us all.
