1. COMING HOME TO EARTH (21.37)

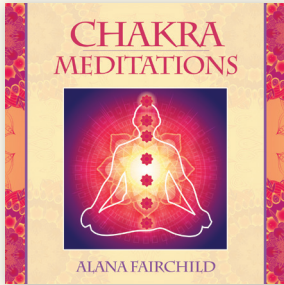

Adjust to the vibration of Earth, release spiritual homesickness and its manifestations of fear of being here and resistance to life's flow. Instead you can adjust your vibration and enjoy so much that life upon this planet has to offer to you and in turn, you can offer so much more of your light to the Earth.

2. REMEMBER YOU (22.44)

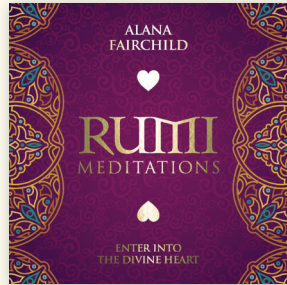

Awaken to your divine purpose and star mission, finding the love that is within you for the Earth and the heart connection between you and the Earth that brought you here. Allow your heart and body to be filled with the strength, purpose and deep soul remembering that ignites you on your divine path.

3. CRYSTALLINE TRANSMISSION (22.09)

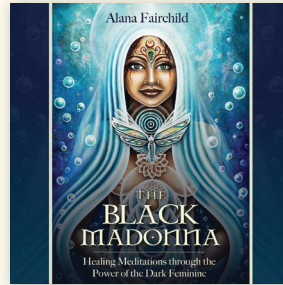

Awaken and empower your unique divine template. The divine template is the relationships, opportunities and pathways that support you in walking and creating your divine destiny upon the Earth. Connect with the Crystalline layers of the Earth to activate your template and become able to receive and transmit energies between the Earth and the Stars, being a channel of higher consciousness and spiritual communication between heaven and Earth.

For Love & Light on Earth

ALANA FAIRCHILD channels the Voice of the Soul. She surrenders her body and mind over to divine energy and becomes an emanation of love, wisdom and divine power. This eternal loving energy guides you into the mysteries of the divine presence that lies within you too, and that heals through unfathomable grace. That divine presence enables miracles, grace and protection. From that inner divine sanctuary, such gifts are freely bestowed. What we must learn is how to allow that flow and receive. Alana writes, speaks, sings and channels the many faces of the Divine that choose to serve human evolution, so that each one of us may become free, fearless and fully realised embodiments of the divine love that we are in truth.
