

# Alana Fairchild's SOUL GUIDANCE & SACRED MENTORING™

## **An Open Letter from a SGSM Trainee**

*We are honoured to share this beautiful heart-felt testimonial from a very special woman named Melanie, a trainee in our SGSM online healer training program.*

“There is nothing like this course. I particularly like that I can completely trust Alana and Jo and have no concerns about the nature of the energy coming through. I cannot believe how the audio guidance resonates with so much that has happened in my life.

This course has empowered me to grow on many levels. This is a comprehensive and loving course. It's an opportunity for growth and connection and it has been so joyful. I will take many special memories from this time with Alana, Jo and our wonderful group. It's a privilege to be part of something so special and to be able to share that with others.

To find a course that has helped me learn so much and feel completely safe is so appreciated. Last year I was really worried about finding a teacher to help me on my journey and never dreamt that this course would arrive.

The healing templates can be used in so many situations. It's incredible to be able to do a healing template for your home, your pet, wild animals or an animal shelter, a place you're going to, a place that is in crisis, a group of people, a situation, family, yourself and so on. I just never imagined how many ways I could use this training!

Thank you for this once in a lifetime opportunity.”
